

PowerZyme™

NEW

ENZYMATIC LIQUID DRAIN LINE TREATMENT

PowerZyme™ liquid, an enzyme-based drain line treatment is designed for use in the HVAC and food service market. PowerZyme liquid is a quick and easy solution to address condensate and drain line problems such as odors, grease, sugar snakes, and more. PowerZyme liquid is easily dispensed from the quick flip top spout, to address a variety of applications. Designed to keep drains from fouling from sludge organic matter, and quickly reduce and eliminate odors. When used as directed, it will resist future build-up for up to 3 months. PowerZyme liquid is heavier than water so will easily pour through standing water.

- ▶ Powerful enzymatic formula
- ▶ Keeps drains flowing freely
- ▶ Eliminates foul and musty odors
- ▶ Ideal for A/C condensate pans and drains
- ▶ Perfect for food service and kitchen drains
- ▶ Easy pour top for any application
- ▶ Breaks down fats, oils, and greases
- ▶ Safe for systems and non-corrosive
