

PADS and BULK ROLLS

MERV 8 MEDIA AVAILABLE IN BULK ROLLS and PADS

Airstar Filters is now offering you a solution to get MERV 8 filter efficiency in each filter frame during construction or major renovation projects.

* AIRSTAR offers MERV 8 efficiency in the convenience and economy of bulk media rolls and pads. Media pads and rolls can be retrofitted to filter frames easier than traditional MERV 8 filters.

* The AIRSTAR #8 media is stenciled with "MERV 8" on the downstream side for visual confirmation of efficiency.

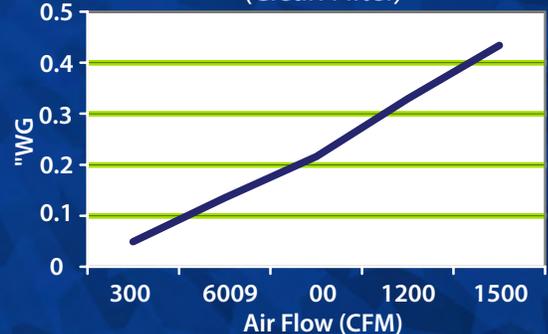

* AIRSTAR #8 media has an initial resistance of 0.33" W.G. (82 PA) at 300 FPM (1.52 m/sec) with a recommended final resistance of 1.0" W.G. (249 PA).

* AIRSTAR #8 is an excellent choice for any HVAC application offering unsurpassed efficiency in a bulk media.

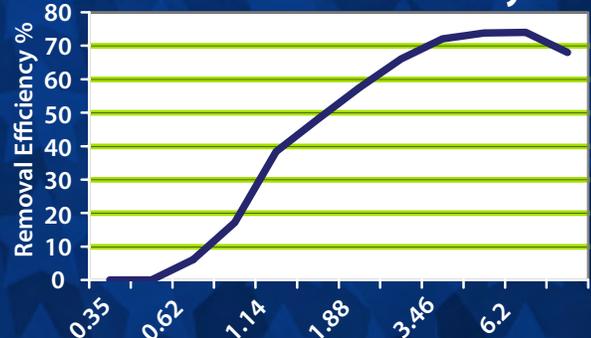

* AIRSTAR #8 is available in a large number of standard size rolls and cut pads; custom sizes also available. Standard roll lengths are 90' x 25" x 1"; additional sizes are available.

* Airstar also offers the pad holding frames for easy and secure use of pad media in HVAC systems.
